

AIMS

Our SEND Information Report aims to:

- set out how our school will support and make provision for children and young people (CYP) with special educational needs and disabilities (SEND)
- explain the roles and responsibilities of everyone involved in providing for CYP with SEND

At Idsall School, we work alongside the Governing Body, Marches Academy Trust, Local Authorities, Health Professionals and community organisations to provide the most appropriate and effective support for the CYP within our care

Our mission is to enable CYP to be successful, creative, lifelong learners participating in a journey of self-discovery through the Trust vision of 'Achievement through caring'. It is our belief that all CYP have the right to a great education, full of opportunities and new experiences that fit hand in hand with traditional values around behaviour, manners and respect.

We see all learners and potential learners, and their parents and carers, as of equal value and as individuals, irrespective of ability, race, gender, need or disability. CYPs with SEND are integrated and included fully into the life of the school as a whole, including its enrichment and social activities.

All our staff have a responsibility to ensure that every CYP has an equal opportunity to attain their maximum potential in all aspects of the curriculum. We are committed to the ongoing training and development of all our staff to ensure that they are equipped to provide a high quality, inclusive education. We develop good communication with our parents/carers of SEND CYP, informing them of their CYP's progress at regular points throughout the year. We work hard to develop partnerships with home and strive to understand the varied and changing needs of the CYP so that we can provide specific, personalised support.

We are committed to providing a rich and varied curriculum that finds the talent in everyone. It is our aim to develop a love for learning so that our young people are driven to seek educational experiences that both inspire and challenge them as they progress throughout the school, and beyond.

The following documents and resources will give you more information in relation to SEND and how school and home can support CYP. If you have any concerns or wish to discuss SEND at our school, please do not hesitate to contact us.

LEGISLATION AND GUIDANCE

This policy and information report is based on the statutory [Special Educational Needs and Disability \(SEND\) Code of Practice](#) and the following legislation:

[Part 3 of the Children and Families Act 2014](#), which sets out schools' responsibilities for CYP with SEND and disabilities

[The Special Educational Needs and Disability Regulations 2014](#), which set out schools' responsibilities for education, health and care (EHC) plans, SEND coordinators (SENDCos) and the SEND information report

WHAT IS A SPECIAL EDUCATIONAL NEED AND DISABILITY (SEND)?

A CYP has SEND where their learning difficulty or disability calls for special educational provision. This means provision that is different from or additional to that normally available to CYP of the same age.

A CYP has SEND where their learning difficulty or disability calls for special educational provision to be made for him or her. This means provision that is different from or additional to that normally available to CYPs of the same age.

We identify SEND needs in the following ways:

- Transition information provided by Primary School SENDCOs
- Concerns raised by parents
- Evidence from teachers and academic progress monitoring
- Testing and screening
- Identification of needs provided by health professionals

WHO CAN I TALK TO ABOUT MY CYP'S DIFFICULTIES WITH LEARNING/SPECIAL EDUCATIONAL NEEDS OR DISABILITY?

The Special Educational Needs and Disability Co-ordinator (SENDCo) for Idsall School is:

high quality response to meet their needs in school. This includes developing and monitoring the school's graduated response of support for our SEND CYPs and supporting the assessment of progress and impact.

- Ensuring the changes under the SEND Code of Practice 2014 are implemented in line with the school's SEND Development Plan.
- Ensuring that parents are involved in supporting their CYP's learning, kept informed about the support their CYP is getting, and involved in reviewing how they are doing.
- Liaising with all the other people who may be coming into school to help support a CYP's learning
e.g. Speech and Language Therapy, Educational Psychology, etc.
- Updating the school's SEND register (a system for ensuring all the needs of CYP with SEND in the school are known) and making sure that there are excellent records of your CYP's progress and needs.
- Providing specialist support for teachers and support staff in the school so they can help CYPs with SEND in the school achieve the best progress possible.
- To evaluate, in conjunction with all relevant stakeholders, the effectiveness of the school's SEND provision.
- Applying for additional support and funding where necessary for our most vulnerable CYP.
- Coordinating with Pastoral Leaders to ensure the best support is given to the CYPs on the SEND register and those with Graduated Support Plans and Education, Health and Care Plans.

HOW CAN I LET THE SCHOOL KNOW I AM CONCERNED ABOUT MY CYP'S PROGRESS IN SCHOOL?

If you have concerns about your CYP's progress or you feel that they may have additional needs that have not been identified please contact us.

- Your CYP's form tutor will be able to answer questions progress, behaviour and wellbeing with you and discuss any concerns you have around additional needs. They will pass on any relevant information to the Pastoral and SEND teams
- Contact the SEN Manager or SENDCo for concerns about progress for CYPs already on the SEN register or where you are concerned about potential SEN needs. They will be able to provide advice, arrange testing, screening or observations and ask teaching staff for progress feedback.

If you feel that identified needs are not being met or you are unhappy with support being provided please contact the SENDCo, Mr Matt Ward, directly. Our aim is always to work with you to solve any issues in the best interests of the CYP.

First of all:

You should speak to your CYP's class teacher/tutor. The class teacher will also pass on your concerns to the Head of Academic Progress and SENDCo.

What if I am still concerned?

You can make an appointment to meet with the SENDCo (this is done via the school office) or you can attend a SENDCo drop in session.

What if I am *still* concerned?

You could make an appointment to meet with a member of the Senior Leadership Team/Headteacher.

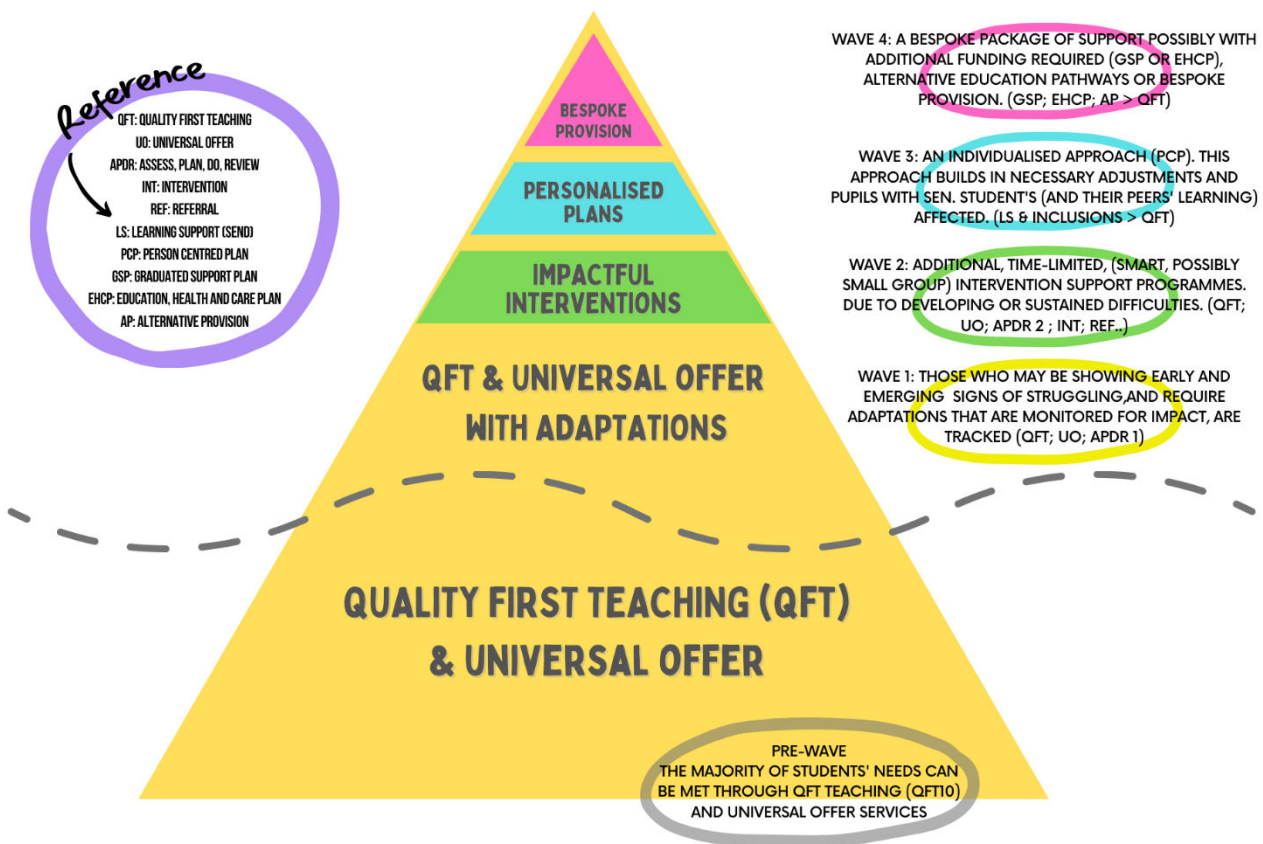

HOW WILL THE SCHOOL LET ME KNOW IF THEY HAVE ANY CONCERNS ABOUT MY CYP'S LEARNING AND PROGRESS?

Your CYP's progress will be discussed with you at Parents' Evening each term. If it is felt that your CYP would benefit from being on the SEND Register, the school will set up a meeting with you to discuss this in further detail and to:

- listen to any concerns you may also have.
- develop a holistic overview of the CYP
- plan any additional support for your CYP.
- discuss with you any referrals to outside professionals to support your CYP's learning.

Wherever possible and appropriate these meetings will involve the CYP so that their views and experiences can be fully taken in to account and they feel part of the process.

WHAT ARE THE DIFFERENT TYPES OF SUPPORT AVAILABLE FOR CYP WITH SEND AT IDSALL SCHOOL SCHOOL?

Support is provided along a graduated pathway at Idsall School whereby the majority of CYPs' needs are met through the Universal Offer, including Quality First Teaching. Where a CYPs' needs are greater than the Universal Offer, an assessment of need will identify the appropriate next steps to support the CYP to a provision that meets their need: specific, low-level intervention, high-level intervention or an extensive provision, possibly with additional funding required, via a bespoke provision offer (Graduated Support Plan or Education, Health and Care Plan.)

Targeted classroom teaching by the Class Teacher (also known as Quality First Teaching)

For your CYP this will mean that:

- the teacher has the highest possible expectations for your CYP and for all CYP in their class.
- all teaching is based on building on what your CYP already knows, can do and can understand.
- different ways of teaching are in place so that your CYP is fully involved in their learning. This may involve things like using more practical and visual resources.
- specific strategies (which may have been suggested by the SENDCo or outside agencies) are in place to support your CYP to learn.
- your CYP's teacher will continually check your CYP's progress and differentiated activities will be in place to address gaps in learning in order to help your CYP make the best possible progress.

All CYP receive this as part of excellent classroom practice.

Specific group work with a smaller group of CYP (Intervention Groups)

Intervention Groups:

provide targeted, short term support to address a particular area of learning such as phonics, handwriting or social skills for example.

These groups are often reactive to how the CYP has progressed in their learning that morning:

- may be led inside the classroom or in a different room.
- may be led by a teacher or a teaching assistant who has had the appropriate training to lead the group.

Support through Intervention Groups is available to all CYPs, as appropriate, who have been identified as needing some extra support in order to help them make good progress. This will include CYP on the SEND Register, as appropriate to their individual needs.

Specialist support by an outside agency

CYP on the SEND Register in the category of School Support may also receive support from a member of staff from an outside agency e.g. Speech and Language Therapy (SALT), Sensory Inclusion Service (hearing and visual needs).

For your CYP this will mean:

- your CYP will have been identified by the Class Teacher/SENDCo (or you will have raised your concerns) as needing more specialist support instead of, or in addition to, Quality First Teaching and intervention groups.
- you will be asked for your permission for the school to refer your CYP to the appropriate agency.
- an appropriate professional will work with your CYP to understand their needs and make recommendations to school staff - this advice may be about particular teaching strategies or specialist resources that would benefit your CYP.

This type of support is available for CYP with specific barriers to learning that cannot be overcome through Quality First Teaching and intervention groups.

Specified bespoke support

This is usually provided by a **Graduated Support Plan or Education, Health and Care Plan (EHCP)**. This means your CYP will have been identified as needing a very high level of support to access the curriculum, which cannot be provided from the budget available to the school. Usually your CYP will also need specialist support from professionals outside the school e.g. Speech and Language Therapy (SALT), the ASD Outreach Team (Spectra), Learning Support Advisory Teacher (LSAT), Sensory Inclusion Service (hearing and visual difficulties), Educational Psychology, etc.

For your CYP this will mean:

- the GSP/EHCP will outline the level of support your CYP will receive, how support should be used and what strategies must be put in place.
- the GSP/ EHCP will set out long and short term goals for your CYP.
- the EHCP will be reviewed annually.

This type of support is only available to CYP whose learning needs are severe, complex and, in some cases, lifelong.

IF MY CYP REQUIRES AN EHCP, HOW DO I GET THIS FOR MY CYP?

Following intervention from both the school and outside agencies, it may be felt that your CYP's needs are particularly complex and cannot be addressed from the budget available to the school. School (or you as a parent) may wish to request that the Local Authority (LA) carry out a statutory assessment of your CYP's needs. This is a legal process which sets out the amount of support that will be provided for your CYP.

For your CYP this will mean:

You and/or the school will complete a request for statutory assessment which will provide the (Local Authority) LA with information about your CYP such as attainment levels, strategies and resources that have been used in school, areas of difficulty, external professionals' advice and attendance.

The LA will then decide if your CYP's needs seem complex enough to require a statutory assessment. If this is the case, they will then ask you and all professionals involved with your CYP to write a report outlining your CYP's needs. If they do not think your CYP needs a statutory assessment, they will ask the school to continue with SEND Support.

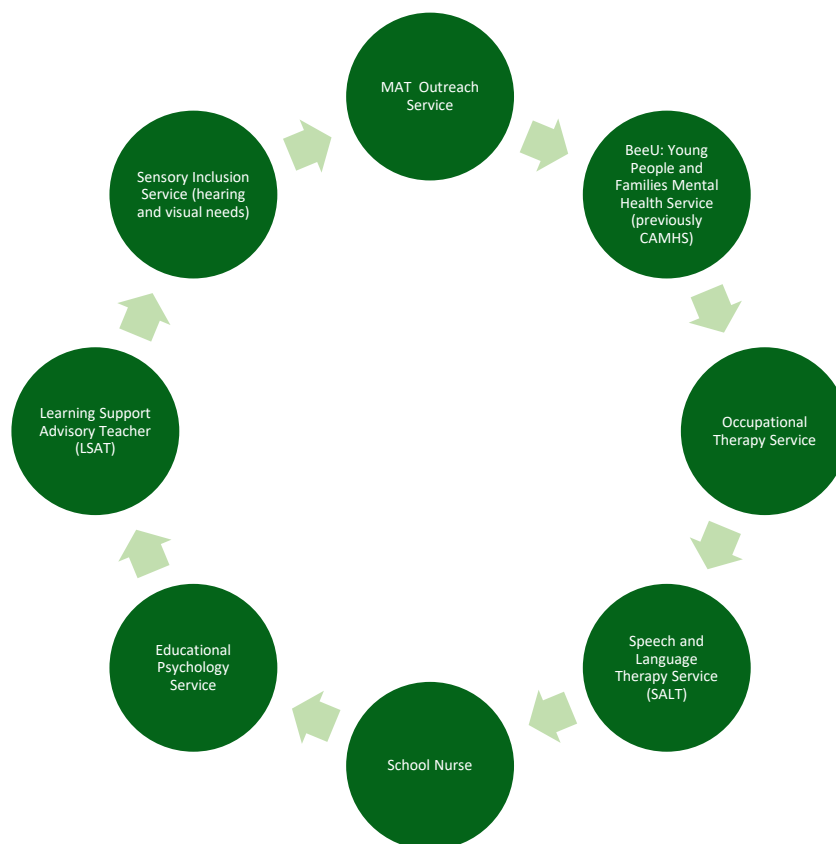

After the reports have all been received by the LA they will decide if your CYP's needs are severe, complex and lifelong and if additional support is required to enable your CYP to make good progress. If this is the case they will write an Education, Health and Care Plan (EHCP). If this is not the case, they will ask the school to continue with SEND support.

The EHCP will outline the band of support your CYP will receive from the LA and how the support should be used and what strategies must be put in place to help your CYP meet long and short-term goals. This support may be used to support your CYP with whole class learning, run individual programmes or run small group interventions to include your CYP.

HOW IS EXTRA SUPPORT ALLOCATED TO CYP AND HOW DO THEY MOVE BETWEEN THE DIFFERENT LEVELS?

- The school budget includes money for supporting CYP with SEND.
- The Headteacher decides on the budget for SEND in consultation with the School Governors and SENDCo, taking into account the CYP already receiving support, the CYP needing extra support and the CYP who have been identified as not making as much progress as would be expected.
- The SENDCo will coproduce with you and your CYP a support passport which details the support classroom teachers should put in to place.
- We have a team of Teaching Assistants who may be tasked to provide specific in class support.
- If appropriate, CYP may also be part of targeted intervention groups to address particular needs.
- All resources and support are reviewed regularly, and changes made as needed.

WHO ARE THE OTHER PEOPLE PROVIDING SERVICES TO CYP WITH SEND AT SHREWSBURY?

WHAT TRAINING DO STAFF HAVE TO HELP THEM MEET THE NEEDS OF CYP WITH SEND?

- The SENDCo supports class teachers in planning for CYP with SEND.
- Idsall School has a training plan for all staff to improve teaching and learning for all CYP and this includes whole school training on SEND issues such as ASD, speech and language difficulties, etc.
- Individual members of staff also attend training courses run by outside agencies that are relevant to the needs of specific CYP in their class.

HOW WILL TEACHING BE ADAPTED FOR MY CYP WITH SEND?

- Class teachers are provided with specific support information for each CYP that they teach who is on the SEND register.
- Class teachers plan lessons taking into account the needs of all CYP in their class, including those with SEND.
- Specially trained teaching assistants can adapt the teacher's planning further to meet the needs of individual CYP, if needed.
- Your CYP may also be part of an intervention group to target a particular area of learning i.e. phonics or handwriting.
- If appropriate, particular resources may be provided to help your CYP's learning i.e. reading pen, pencil grips, chromebook, fidget toy.
- Planning and teaching will be adapted on a daily basis if needed to meet your CYP's learning needs.

HOW DO WE EVALUATE THE EFFECTIVENESS OF THE PROVISION MADE FOR CYP WITH SEND?

- All CYP, including CYP with SEND, have their progress and attainment tracked throughout the year. Currently there are three main dates throughout the year where data is collected.
- CYP progress meetings are held regularly throughout the year to identify CYP including those with SEND that are not making expected progress and the support being put in place for these CYP.
- Targeted interventions are put into place for CYP who are not making expected progress and interventions are tracked and analysed to evaluate the impact.
- Regular meetings with staff, parents/carers and CYP ensure that interventions and additional support have the desired impact on CYP' progress, attainment and personal development.

HOW ARE CYP WITH SEND FACILITATED TO ENGAGE IN ACTIVITIES AVAILABLE WITH CYP IN THE SCHOOL WHO DO NOT HAVE SEND?

- We ensure that all CYP have equal opportunities.
- All our CYP are encouraged to join in a large range of extra-curricular activities.
- We ensure that our school environment is adjusted and adapted to meet the specific needs of any individual CYP.

- Where needed the SEND team will support extra-curricular and subject based activities, trips and residential by providing relevant guidance, support staff and risk assessments where required.

HOW DO WE SUPPORT THE EMOTIONAL AND SOCIAL DEVELOPMENT OF OUR CYP WITH SEND?

The wellbeing of all our CYP is paramount.

- Our SENDCo is the designated safeguard lead and works very closely with the other designated safeguard leads in school to ensure that all CYP are well supported in their wellbeing.
- Our PSHE curriculum supports the needs of all CYP including those with SEND.
- For those CYP with particular social and emotional needs, targeted intervention groups are made available.
- Our Anti-Bullying policy outlines the school's approach to all instances of bullying. All CYP are taught about bullying and how to prevent it.
- Clear and consistent behaviour policy application promotes positive behaviour and is used across school, and also promoted during assembly time.
- For CYPs with particular social needs we provide support at breaks and lunchtimes to ensure they have a place where they can relax and be social.

HOW WILL WE MEASURE THE PROGRESS OF YOUR CYP IN SCHOOL?

- Progress will be formally reviewed every term by the subject teachers and given a level in each subject based on assessments
- Idsall School uses a variety of assessments to assess and monitor attainment and progress in CYP's learning.
- CYPs with SEND have a Passport which will be reviewed with you regularly. CYPs with higher needs will have support plans which are reviewed regularly. You will be able to access these through our Provision Map system.
- CYP plans, Passports and assessment data are monitored by the SENDCo each term to ensure learning approaches are appropriate and CYPs with SEND are making progress.
- If your CYP has an EHCP, this will be formally reviewed with you at an Annual Review with all adults involved in your CYP's education.

HOW IS IDSALL SCHOOL ACCESSIBLE TO CYP WITH SEND?

- All classrooms at Idsall are at ground level with good access. There are limited steps in some areas but all areas have access facilities such as ramps. Access for CYPs with disabilities is reviewed regularly.
- We ensure that equipment used is accessible to all CYPs regardless of their needs. We take advice from Occupational Therapy and other professionals when considering these requirements
- After school clubs are open to all CYP, including those with SEND.
- We ensure CYP have the opportunity to attend appropriate school trips.

HOW DO WE WORK TOGETHER WITH CYP WITH SEND?

We believe that the best way to support CYPs is to include them, wherever possible in decision making and review of their support. We value their opinions and insight in to their needs and challenges and what works best for their learning.

- SEND CYP Passports are created and reviewed with the CYP regularly
- CYPs participate where possible in setting targets.
- CYPs with higher needs have a keyworker who is their main point of contact for SEND who they can discuss day to day issues with

- You can access Passports and SEND support plans and provisions through our Provision Map system which allows you to see current plans and to make direct comments to SEND staff.

We work closely with all parents/carers to listen to their views so that we can build on CYP previous experiences, knowledge, understanding and skills so that they develop in all aspects of the curriculum.

All parents/carers are encouraged to attend Parents Evening each term. During the SEND meetings your CYP's SEND profile and targets will be reviewed and updated together. Support and strategies will be discussed to support your CYP both at home and in school.

CYP who have an EHCP will also have an annual review. The CYP, parents/carers and professionals who are working with the CYP, will be invited to the meeting to review progress and set new challenging targets for the future.

All information from outside professionals will be discussed with you by the professional concerned, or where this is not possible, in a report.

Homework will be adjusted as appropriate to meet your CYP's needs.

We respect the differing needs of parents/carers such as disability or communication and linguistic barriers. We offer our English as an Additional Language (EAL) CYP a Teaching Assistant (TA) to attend meetings where appropriate to provide support. HOW WILL WE SUPPORT YOUR CYP WHEN THEY MOVE TO ANOTHER CLASS IN OUR SCHOOL OR THEY LEAVE IDSALL?

We recognise that transitions can be difficult for all CYP and particularly CYP with SEND. We therefore take the following steps to ensure transition is as smooth as possible:

When your CYP moves to another class in our school we will;

- ensure teachers have a transition meeting or information is disseminated before your CYP moves class, in order to pass on information such as CYP Passport

If your CYP moves to another school, we will:

- contact the SENDCo at the new school and ensure they are aware of the support your CYP needs.
- ensure that all records about your CYP are passed on as soon as possible.

In Year 11 we will:

- ensure the Year 11 teacher and SENDCo liaise with staff from the College to pass on information.
- provide focused learning activities about aspects of transition to support your CYP's understanding of the changes ahead.
- ensure your CYP has additional visits to their new College.

For Primary to Secondary transition. This could include:

- arranging visits to the school prior to entry to support with transition.
- meetings with primary school teachers/SENDCo/external agencies where appropriate to gather information.
- meetings with parent or carers to reassure and discuss specific needs.

- providing photographs/virtual tour of the school
- identifying where the CYP may feel anxious.
- adjusting groups to ensure friendships can be maintained.
- providing an agreed buddy
- specific and relevant information and guidance available to all teaching staff
